NAILED IT!

Indian bloke hasn't cut his nails in 63 years

BACK in 1952, Indian bloke Shridhar Chillal made a CONSCIOUS DECISION to stop cutting his fingernails, and since then he's been focused on the noble pursuit of growing the longest nit-pickers on planet Earth.

Sixty-three years on, he's finally been NAILED to the wall of immortality, with his name etched in the hallowed pages of the Guinness Book of World Records.

But Shridhar's road to glory has been littered with CUNTY POTHOLES. The sheer weight of his nails has caused his digits to become BADLY DISFIGURED, and the resulting nerve damage has caused deafness in his left ear.

Has it all been worth it? FUCKEN OATH it has. Shridhar's thumbnail alone measures in at an AWE-INSPIRING 200cm, and the total length of the nails on his left hand sits at well over six metres.

Sadly though, the day when Shridhar will SHED his burdensome nails and give someone else a crack at the title will soon be upon us. And while we're all in favour of any man growing his FILTHY FINGERNAILS to any length he desires, we just don't wanna know how Shridhar's been wiping his arse all these years. ■ Picture

PURE Blonde

Jess Davies is better than an ice-cold beer

Adam Turner

BRITAIN can be a pretty shitty place. Firstly, it's full of Poms. Secondly, it's full of Poms. And thirdly, it's FULL OF FUCKEN POMS. So you've gotta feel for our Welsh buddies, who aren't too bad considering they live so close to the English. It helps that they have Jess Davies, one of the BUSTIEST and BLONDIEST stunnas around.

MORE FUNBAGS THATAWAY!

"I'm just a normal girl who likes normal stuff," purrs the 22-year-old. "I go to uni, I have a part-time job in a country pub, and in my spare time I get drunk with my friends."

Do your FUNBAGS ever come out in public places?

"The other day, and it was no accident! I was bored on the train so I took a quick photo of my boobs and sent them to my friends on Snapchat."

We've gotta get Snapchat. Where else do you get your whammers out?

"We've got some nice beaches to sunbathe on – when it's not raining! There aren't too many sexy sunbathers, I must admit, but me and my hot mates try to make up for it."

Do people cop a sneaky look at the beach?

"Most people aren't exactly subtle about it. It's worse when I go to the sauna and everyone stares at me with their mouths open. I don't get it. Have they never

"I TOOK A QUICK PHOTO OF MY Boobs"

seen a pair of knockers before?"

Not as BEAUT as yours! We thought Wales was colder than an ESKIMO'S COCK.

"I'm always moaning about how cold it is, so when I'm home, I'll whack the heating up full-blast. It can sometimes get way too hot, but I'll just take all my clothes off to compensate."

Is it OK if a bloke approaches you for a chinwag?

"Yeah, of course, as long as he's funny and down to earth. Also, I'm not a big fan of chat-up lines. Much better if a guy just starts talking and being nice."

What can a man do about his appearance to make you FROTH?

"Keep his hair looking good, but get rid of all his body hair. Ha!"

We tried that once and we broke two lawnmowers and a whipper snipper.

UNPROFESSIONAL CONDUCT

A POMGOLIAN fella, enraged that his pay-by-the-hour girlfriend nicked off with the cash after providing just ten minutes of a promised 30-minute liaison, called the police to complain about being left UNSATISFIED. 'Cos prostitution is illegal in the UK, the police treated the charges with contempt. If you feel that you've been left unsatisfied by a LADY OF THE NIGHT in Australia, you may be entitled to complain and seek compensation. We love a sunburnt country!

#254 WE DREW A COCK ON IT

DO YOU EVEN LIFT?

THIS Chinese champion appears to have CLEAN AND JERKED three cases of beer with his WANG, in an eye-watering attempt at setting some kind of UNCORROBORATED record. For all we know, the cartons of CHAMPION Chinese beer could be empty. They could be filled with cakes of soap. Have you noticed his knees aren't even flexing? Then we have the PATHETIC, not to mention PROBLEMATIC addition of yellow ribbon as a modesty device, as it seems to cover exactly what's going on DOWNSTAIRS. Before we applaud this ALLEGED display of brilliance, we'll let youse speculate on whether it's the real deal or not, but we'll just say this: that we really DO want to believe!

MASSIVE GONADS

YOU'RE SACKED!

CHAMPION big-bloke-with-a-heart-of-pure-gold Dan Maurer is on his way back to NORMALCY after having a 36kg growth removed from his SCROTE. What's more, he's been able to engage in SEXUAL RELATIONS with his missus for the first time in SEVEN long years. Apparently the removal of an enormous impediment to sexual gratification acts like some kind of aphrodisiac. Who knew?

And yes, that IS a tree in there.

FOAM DOME

THIS Eastern European sheila had the ultimate bad hair day when she reached for a can of expanding polyurethane foam rather than her usual hair mousse. The error in judgement meant a trip to hossie and WORLDWIDE RIDICULE when this photo went viral on the INTERWEBS.

GORE BLIMEY

THERE has been a spate of TERRIBLE gorings this year by Spanish bulls, many of whom are deeply dissatisfied with plans by Liberal CUNTS to get rid of penalty rates. Alberto Lopez Simon duly received a horn within millimetres of his playboy palace, and shortly thereafter swore to vote in favour of penalty rates before being hauled off to hospital. Possibly. It's all in Spanish. We're just guessing.

BABYMAKER SCORES

MEET the world's most virile Dutchman. Two-legged sperm bank Ed Houben has fathered some 136 children, initially through ANONYMOUS JIZZ DONATIONS, and then through internet advertising, which has allowed him to BONK married women while their blokes look on in horror. Does he have a girlfriend, we wonder? We have NO idea.

PHONE A FRIEND

Biggest call of the match!

SOME phone calls ya just can't miss. This CHAMPION here was halfway across the pitch during a Pommy rugby match when he whipped out the old dog and bone, presumably from his backdoor FLESH-POCKET.

We're not sure of the exact reason for the call, but here's a few guesses:

- The missus asking how his 'quiet night in' is going;
- Mates telling him they backed outta the bet;
- The Queen asking what the fuck Prince Harry is doing;
- Booking his next session at the tanning salon;
- Gran just CHUCKED a hearty watching telly.

Whatever the reason, we're hoping he gets a SHIT TON of beer bought for him. Our ginger mate should also consider investing in a HANDS-FREE device, just to make life a little easier. Picture

It's the all-purpose family holiday/ invading Iraq vehicle

TIRED of camping trips where you crash on a mattress in the back of the station wagon and shit in a bucket? Then maybe the Action Mobil Global XRS 7200 is for you.

This Kombi on steroids is just the thing you need when the great outdoors call, but you can't be fucked dealing with shit like tree roots under the tent and flooded dunnies in the amenities block.

Built in Austria, the 18-tonne SUV packs a 720hp engine and its own electricity generating system that includes lift-up solar panels for when you kick back with a brewski by a creek somewhere, and still wanna run your plasma teev, washer-dryer, Bose sound system, microwave and air-con.

Oh, and your hydraulic lift so you can safely stow your Ducati scrambler, which you will need when you run out of piss and have to bolt to the bottle-o just before closing time.

The manufacturers don't say anything about cupholders in the brochure, but, so maybe they're extra.

Still, the Action Mobil Global XRS 7200 is a steal at around $1.3 million, and it's just the thing if you wanna be king of the caravan park.

With them big wheels and heaps of traction, it'd also be pretty good for invading sandy joints like Syria and Iraq.

So fucken look out, ISIS! We just might drop in for the weekend and drink all your piss, cunts. ■ Picture

ULTIMATE FAECAL CATASTROPHE!

MMA fighter literally beats the shit out of his opponent

AMERICAN brawler Travis Wolford is now the most feared man in mixed martial arts NOT because he can punch like Tyson, kick like Van Damme and wrestle like The Rock, but because he has taken to FINISHING his bouts by SHITTING HIS PANTS.

Wolford was getting hammered by Daniel Cooper at a fight night in West Virginia recently when he lost control of his ARSE and released a series of CHOCOLATE HOSTAGES all over his strides, his legs and the mat. Afterwards, fight promoter Christopher MacCorkle Smith went on Facebook and said he'd "never seen anything this gross in my entire career", adding, "shit happens".

Fuck off, Chris. We'll make the jokes around here, mate. Picture

Sink the pink with Brook

THE last time Pomgolian spunk Brook Little appeared in these pages, DEVOID of her knickers, we actually FEARED for our lives. So PLUMP were her titties, so BEAUT was her snatch, that we paused mid-wank and thought, "If we're not careful this jizz bolt will go straight through our head like a BULLET made of BALLSACK BOLOGNESE."

We managed to dodge that PEARL JAM PROJECTILE, but we were right to be worried. The fucken thing hit a Kenworth truck and went straight through the bloody engine block.

So a word of warning before you start having a bat over Brook, 26: if you don't want to take one of your eyes out with a blast of NAD NECTAR, you'd best wear a welder's mask.

Questions start NOW.

Welcome back, Brook. You're currently making our cocks harder than a Mike Tyson uppercut.

"Well, thank you! If I'm still doing it right for you Aussie

Bloody oath you do. So, POOL. Are you a bit of a shark or are you FUCKEN HOPELESS at it?

"True confession time: I know NOTHING about the game at all. I've sunk some balls alright, but never on this particular table."

Yeah, you look like you just played a game of strip pool and got your ARSE KICKED.

"Ha! I've never played strip pool, but it sounds like a great idea. I'd give it a go next time I'm at my local pub but I've already been in trouble for flashing my boobs and taking my undies off."

Keep... talking... almost... there...

"I've got the girls out a few times, either to get free drinks or because I've just had a few too many free drinks! And the undies... I lost a bet when that happened the first time."

The FIRST TIME?

"Yeah, I've done it quite often. The last occasion got me barred from the joint for three months, which sucked."

Barred? Fuck that. If we were publicans we'd name the hotel after ya! ■ Picture

"You look like a hard worker. I have an opening you could fill."

"Are you a taxidermist? 'Cos I need someone to stuff my pussy."

"What's your name? 'Cos I'll be screaming it all night long."

SOMEWHERE out there is an alternate universe where beer and durries are healthy, England are good at rugby, and women approach blokes down the pub. But seeing as we're stuck in this SHITTY UNIVERSE, we'll just have to rely on our imagination as to what sheilas might say if they were ever to go out on the pull. Regardless of what came outta their mouths though, we all know our answer would be a BIG FAT fucken yes! ■ Picture

BELOW PAR

MANY men consider themelves golfers. Some of these blokes are champions of a sport requiring them to, among other things, dress badly as they tear chunks of earth out with their 'clubs'. We've all been there. However, somewhere out there, there are blokes who can fire their balls onto a green that is only accessible by HELICOPTER. True to form, some New Zealanders came up with a way to turn the obstacle of a 1,370-metre mountain as the par 3. The only comparable par 3 is in Limpopo, South Africa which sits at a PATHETIC 400 metres. The player's BALLS are endangered by the 'rough', a somewhat UNFLATTERING stretch of rough tussock, spiky mountain flowers and great cliffs of rock that have possibly claimed the lives of LESSER GOLFERS. Once you get your ball onto the green, you have to clamber into a helicopter and get down to the next level. The golfers very kindly use eco-balls, so-called because they disintegrate in the environment. Fucken beaut, we sez.

"ROUTINE MAKES SEX LIVES BORING"

HEYA, STRAYA!

HELLO Trinity, I am new in Australia. I come from Java, Indonesia. I come here by myself and don't know anyone else. So far everyone has been very friendly. A man told me I should buy this magazine, so I did, and that is when I see your picture. You are very beautiful. Can you tell me, how do I get girlfriend like you? Or will you be my girlfriend?

SUSILO, DEE WHY, NSW

TRINITY SAYS: ***I can't be your girlfriend – I'm not in Australia at the moment! But listen, there are plenty of amazing girls here in the merry ol' land of Oz, so go and spread your seed and have some fun. Remember, don't be shy, and be nice to the ladies. Better yet, buy them a shot – that always helps!***

LES-BE-HONEST HERE

MY WIFE and I married six months ago and everything was going swell until recently. About a month ago, we stopped having sex; she's not even interested in the slightest. I've also noticed comments she makes about attractive women on TV or in THE PICTURE. But strangest of all, I found a pile of porn DVDs in her underpant drawer – it was lesbian porn. Trin, is my wife a secret dyke?

DESPERATE DAVE, VIA EMAIL

TRINITY SAYS: ***Probably, mate! Why don't you have a threesome with her? That way you can both get your rocks off. She's happy, you're happy and you both get the pussy you're gagging for. As I always say, communication is key – you need to be upfront and talk about it. Who knows, it might just be the start of something great!***

TASTE TEST

WHEN my missus swallows my load after a gobby, I've got nothing against giving her a big, sloppy kiss straight after. And if I've come in her vadge, I've got nothing against going down on her straight after. I figure it's the least I can do. Are there any rules regarding this?

TRINITY SAYS: *Nah, mate! No rules – each to their own. You rock. I hate those uptight guys who won't, so high-five, you legend!*

IT'S A GAS

WHENEVER I get close to coming, I fart. When I masturbate it's not an issue, so I can completely let go and enjoy myself. But when I'm with my girlfriend, I get embarrassed. And I think the sex-slapping of my lower belly is what gets the gases going. When it happens, she is always so sweet, and says not to worry. But I think deep down she's getting grossed out a bit. Is there anything I can do or take before sex?

GUTS, ENGADINE, NSW

TRINITY SAYS: *If your belly is slapping her, perhaps you need to lose some weight, mate! Try a different position, or don't worry about it. If she's cool with it, don't make it a big deal.*

FUCK-ALL

ME AND my wife used to go at it like rabbits. With a major emphasis on the "used to" bit. Have you got any advice for a marriage that is struggling because the husband has a huge sex drive, but the wife just seems to not have one at all?

HORNY, SUN VALLEY, NSW

TRINITY SAYS: *Stimulants, role playing, weekends away etc... Just anything that's not the norm. Routine is what makes sex lives boring, so be sure to really mix up the ways in which you arouse her, or put her in the mood to fuck.*

WISH-DICKS

IF YOU were a bloke, what sized dick would you want? How long would it be, and how thick? I've heard that chicks like dicks as thick as beer cans, but it sounds bullshit to me. Mine's the length and girth of a standard sausage roll – about six inches. Is that good?

MR. MAC, DARWIN, NT

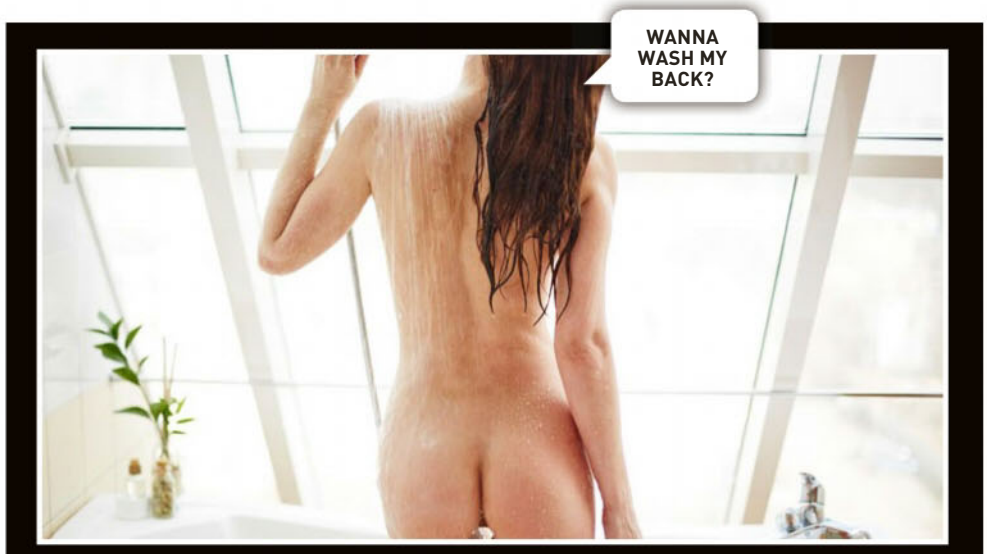
TRINITY SAYS: *Yeah, that's fine. As long as it has a bit of length, you're sweet! Too big isn't always a good thing, because it also depends on the depth of a girl's pussy. I think anywhere between 6-9 inches is good with at least a three-fingered width. Mmm, yes please!*

OH, PEGGY

MY HUSBAND of ten years told me last month that he liked pegging, that is, getting done up the arse by me, a woman, with a strap-on. I obliged, and it turns out that I liked doing it too. But I've noticed that the more we do it, the more he's been helping out with chores around the house. Have you heard of this happening?

PEGGY, MORWELL, VIC

TRINITY SAYS: *Yeah, babe. It's similar to the saying; "happy wife – happy life". The same goes for guys. Keep your man well-fed and well-pleasured, and I guarantee he'll be putty in your hands.*



TRINITY'S SEX TIP

Cleanliness is next to godliness! It's easy to forget hygiene when you're excited about other things, but you need to look after yourself before and after you're intimate with your partner. If you're clean, showered, groomed and ready to go, it'll do wonders for your confidence and you will perform better in the bedroom!

TEENY-WEENY PEENY

I'VE been dating this guy for a month, and I think he has what they call a micropenis. I did everything I could not to act like it was different. I was enthusiastic, and I tried to please him. But he was just so embarrassed and nervous that we couldn't do anything. I felt really badly about the whole thing. Afterwards, I tried to let him know I liked him and wanted to try again, but he has basically had a breakdown over the whole thing and can't get over it. I really tried not to act fazed, but it was hard – what am I supposed to do?

L.K., VIA EMAIL

TRINITY SAYS: *If you've been supportive, nice, unfazed and tried to act like it's cool and he keeps going feral, then he's the one that needs to seek help for it. Just tell him that you'll go with him to a specialist or whatever, but apart from that, it's all you can do. If he doesn't want to help himself, then you definitely shouldn't be punished with his meltdowns.*

NEEDS ROUGHAGE

MY BOYFRIEND and I are both really shy when it comes to sex. But I've noticed that I have recently started enjoying "fucking" more than "making love". I've got nothing against making love, it's awesome too. But I'm too shy to initiate the rougher type of sex. My boyfriend only occasionally gets rough when he gets lost in the moment. I want to know how to urge him on to get rougher without making him or myself feel embarrassed about it.

SHY GIRL, GOWRIE, NSW

TRINITY SAYS: *Just simply use the words "fuck me harder", or "I want it rough baby", or "punish my pussy" softly and sweetly in his ear while you're fucking, and I guarantee he'll love it and do exactly what you want. Don't be shy, girl – he's your man. He loves you!*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

THIS unnamed Czech champ was propelling his pushie through a forest at RIDONKULOUS speeds when he ran out of talent and went arse-over-tit. After a few moments of bewilderment and several foreign SWEAR WORDS, old mate happened to notice that the handlebars of his bike had become LODGED IN HIS LEG!

Being the calm, collected sort, he sipped some water, assessed the damage, then began SCREAMING his fucken head off. The ambos arrived and set about taking snaps on their smartphones while the fireys did the REAL WORK of cutting away the bastard 'bars.

When the SKEWERED CYCLIST was finally admitted to hospital, an X-ray showed that – fortunately for him – the handlebars had speared the FLESHY PART of his thigh and only caused minimal tissue damage.

Minimal? MINIMAL? That's medico speak for "fuck all", so shut your TEAR HOLES, Spandex, or we'll give ya something to cry about. If you can't control a big-boy bike with PEDALS, stick to riding scooters up and down mummy and daddy's driveway. ■ Picture

PERFECT HARMONY

FUCK, that blonde chick in Tits or the Twenny in issue #1388 had me cracking unmanageable stiffies every time I opened the mag. What a hottie! I vaguely remember seeing her in the mag before, but any chance you could give her another whirl as a pin-up? I'd love to see her fully naked. I'd probably have to spend the whole week inside on the couch wrestling with my boner, but.

THE WIZARD, BATEMAN'S BAY, NSW

MUNGO SAYS: Well, Wiz, there are probably worse ways to spend your time. Harmony – that's her name – was our pin-up way back in #1320, and is probably overdue for another appearance.

I THOUGHT HE WAS DEAD

G'DAY Mungo. We must be the first couple married by Elvis in Las Vegas while wearing a PICTURE shirt. The King thought the mag was piss funny so we gave him a copy to take home for Priscilla. Don't be surprised if she sends in a few shots to *Home Girls*.

P.L., MILDURA, VIC

MUNGO SAYS: I gotta say, Elvis is looking surprisingly well. He's gotta be, what... 80-something now? I can't wait for his comeback. Good on you two crazy kids for giving the old bloke a copy of THE PICTURE. If that doesn't get his hips gyrating again, nothing will.

FAIR COP

I'VE taken up your challenge of finding the horniest profession for women. My gift to you is everyone's favourite policewoman, Adele Stevens. Here she is in all her authoritative glory, just waiting to take down your particulars. So as our resident bad boy, the big question we must ask is: are you going to come quietly?

C.M., TRIGG, WA

MUNGO SAYS: I never come quietly. I make strange whimpering noises, then a loud bellow, followed by prolonged snoring. However, I can be revived with the application of beer to the throat. But enough about me. I remember Adele. Pommy model, big in the '90s. She can examine my credentials any time she likes. I'm innocent, I tells ya!

CHRIST! IT'S A POEM!

NOW I'm just a farm boy from country WA
Where I'm herding up sheep and bailing up hay.
Let me tell you all the story last time I was in the city
When I met this stunna with fantastic titties.
She had long legs and had me mesmerized
By the way she danced and her hazel eyes.
I didn't think it would hurt or cause any harm
If I wrote this ditty travelling back to the farm.
If I could plead my case, make a minor request
I would love to see you publish her breasts.
Exotic and alluring, she's one of your angels
In issue #1301, her name is Delilah Daniels.
So there is nothing more that I would like to see
Is a cover shot and centrefold of Miss Double D.
To PICTURE mag and all the gang
Keep on smiling, from Leroy Bang.

L.B., YORK, WA

MUNGO SAYS: I can see how Delilah could turn the head of a young rural fella such as yourself. Well, she doesn't go "baa" or "moo", which must make a nice change. We haven't seen her for a while, but it's good to hear she's still making an impression over there in the west. She's a Kiwi, ya know. Not that we're prejudiced or anything. If we can track her down, you never know... You may get your wish.

MUNGO WANTS TO KNOW...

"Sorry but I'm not interested and I have no money," says the woman, as she tries to close the door.

Of course the young man puts his foot in the door and says, "Ma'am, I'm so confident this is the world's best vacuum cleaner, that if you smell anything after this vacuum cleans and deodorises your carpet, I'll eat whatever is in this bag."

He then takes a small bag of horse manure and dumps it right on her carpet in front of her.

She starts walking. "Where are you going ma'am, don't you want to see the world's best vacuum cleaner in action?"

"I'm going to get you some silverware from the kitchen. My power was cut off last week."

AN engineer dies and reports to the pearly gates. St. Peter checks his dossier and says, "Ah, you're an engineer – you're in the wrong place." So, the engineer reports to the gates of hell and is let in. Pretty soon, the engineer gets dissatisfied with the level of comfort in hell, and starts designing and building improvements. After a while, they've got air conditioning and flush toilets and escalators, and the engineer is a pretty popular bloke.

One day, God calls Satan up on the telephone and says with a sneer, "So, how's it going down there in hell?"

Satan replies, "We've got air conditioning, flush toilets and escalators, and there's no telling what this engineer is going to come up with next."

God replies, "What? You've got an engineer? That's a mistake – he should never have gotten down there. Send him up here."

Satan says, "No way. I like having an engineer on the staff, and I`m keeping him."

God says, "Send him back up here, or I'll sue."

Satan laughs uproariously and answers, "Yeah, right. And just where are YOU going to get a lawyer?"

AN OLD man saved for years and years for his dream vacation – a weekend in Nevada, where prostitution is legal. However, since he worked for barely minimum wage, the years stretched into decades and he was ninety-one when he got off the bus in Reno in front of a glitzy bordello. The old man tottered up to the front desk.

"Isn't this Reno's famous Pleasure Palace?" he asked.

"Why, yes," replied the incredulous receptionist. "How may I help you?"

"Don't you have the most beautiful girls in town lined up and waiting?" The old man quavered.

The receptionist nodded.

"Well, I'm here to get some."

"How old are you, Pops?" she asked bluntly.

"I'm ninety-one."

"Ninety-one! Pops, you've had it."

"Oh, really?" A disconcerted look passed over the old man's face as his trembling fingers reached for his wallet. "What do I owe you?"

THIS WEEK: MARRIAGE

A husband and wife go to the pub. Inside, there's a bloke tearing it up on the dancefloor – breakdancing, everything. "See that guy?" the wife says to her husband. "Twenty-five years ago, he proposed to me and I turned him down." "Really?" replies the husband. "Looks like he's still fucken celebrating!"

MARRIAGE IS THE PROCESS OF FINDING OUT VERY SLOWLY WHAT KIND OF MAN YOUR WIFE WOULD HAVE PREFERRED.

My husband said he wanted more space. So I locked him outside.

Q. HOW DO YOU TURN A FOX INTO AN ELEPHANT? A. MARRY IT.

The most effective way to remember your wife's birthday is to forget it once.

AFTER A BIG FIGHT, A WIFE GOT SO MAD, SHE PACKED HER HUBBY'S BAG AND TOLD HIM TO GET OUT. AS HE WAS WALKING AWAY, SHE YELLED OUT, "I HOPE YOU DIE A LONG, SLOW, AND PAINFUL DEATH." THE HUSBAND TURNED AND SAID, "SO, YOU WANT ME TO STAY, THEN?"

Some marriages are like fat people. Most of them don't work out, some lose the extra pounds after a few years, and some just die from heart problems.

FOREIGN
PRINCESS

JULIJA

POPULATION: 38.53 million

LANGUAGE: Polish, English

AVG. BRA SIZE: 28C

WARSAW, POLAND

WARSAW, EH? WHAT ARE THE POLES UP TO THESE DAYS?
If anyone is OLD and WORLDLY enough, they might remember Lech Walesa and his Solidarnosc party, who revitalised the joint post-Communism.

WHEN WAS THE CITY OF WARSAW FOUNDED?
It was originally a fishing village in the year 1300, when the cornerstone of the city was FIRST LAID on the banks of the Vistula.

SO WHAT'S JULIJA'S STORY?
Julija's dad owns a chain of jewellery stores across Poland, with three major stores in Warsaw. Which basically means that she's a hot, BORED Polish rootrat with a Euro-minge that aches for GLOBAL cock.

IT WOULD SEEM THAT THE POLES FAVOUR THE FUR PIE.
Too bloody right, they do. The Poles have always loved their beavers as HAIRY as they naturally come. In fact, many MAJOR works of art in Poland comment on their fondness for the untrimmed FRONT BUM.

AND WHAT OF LOVELY JULIJA HERSELF? HOW DOES SHE FILL IN HER DAYS?
Julija has had ample opportunities thrown her way, and in a quiet style has become rather successful. Her father bankrolled her first ventures into lingerie parties that turned

into massive SPERMY GANGBANGS, and then a fashion label that was later bought out entirely by an American company. She is now studying economics at New York University.

SURELY THIS WON'T MEAN THE END OF HER STERLING BLOODY NUDE CAREER?

Control yourself. Dear Julija would be deeply offended if she heard such errant nonsense. She's a fine, open-minded big-breasted Eurobabe who only has time for sex, foreplay, and having her breasts licked, sucked and generally fondled until we eventually have to get her off the ceiling with a council shovel.

THIS HAS BEEN A GREAT TIME OF LEARNDING FOR ALL OF US.

Surely we have all learnded something today. ■ Picture

Buster

Zuzanna whips out her massive milkers

IF YOU'VE been gifted with a beaut pair of CHEST-PILLOWS, it'd be a shame not to use them to your advantage. At least that's what travelling Czech spunk Zuzanna reckons. She's been using her lady-lumps, each of which is the size of a mini BEER KEG, to get ahead for years. "I might not be the prettiest," proclaims the modest 31-year-old, "but my boobs meant

OH, ZUZANNA!

I always got first pick of the best looking boys."

Did they have anything to do with landing you an Aussie visa?

"The guy at customs couldn't take his eyes off them! I could've had a suitcase full of coke and still got in."

Sampled any Aussie SAUSAGE since you landed Down Under?

"About two weeks ago, I went back to this really cute guy's place and had some fun. We didn't have sex as it was that time of the month, but I gave him a blowjob he'll never forget..."

Was he lucky enough to get a TITTY WANK as well?

"Yeah, I let him fuck my boobies. I think it's so funny when guys do that – it feels so strange between my boobs. I always give it a suck first though, just to make sure it slides properly!"

Have your BEAUT BAZOONGAS helped you much in life?

"I'd like to say no, but I think they probably have. That's not my fault, though! I got a job at an ice-cream shop 'cos my boss was a bit of a perve and liked looking down my top when I scooped."

"WE PUT ICE-CREAM ON OUR BOOBS"

Made in Czech Girl

Didja ever rub the ice-cream on those globes of yours?

"Kind of. There was one night where I fooled around with this other girl who worked there, and we ended up putting ice-cream on our boobs and getting each other to lick it off. Delicious!"

And ya stopped at that. That's some impressive restraint!

"I wanted to take it to the next level and put some mango magic sorbet on my downstairs, but she was too scared we'd get busted. I've always thought that getting caught was half the fun!"

You're a top chick, Zuzanna. Cheers for the chat. Picture

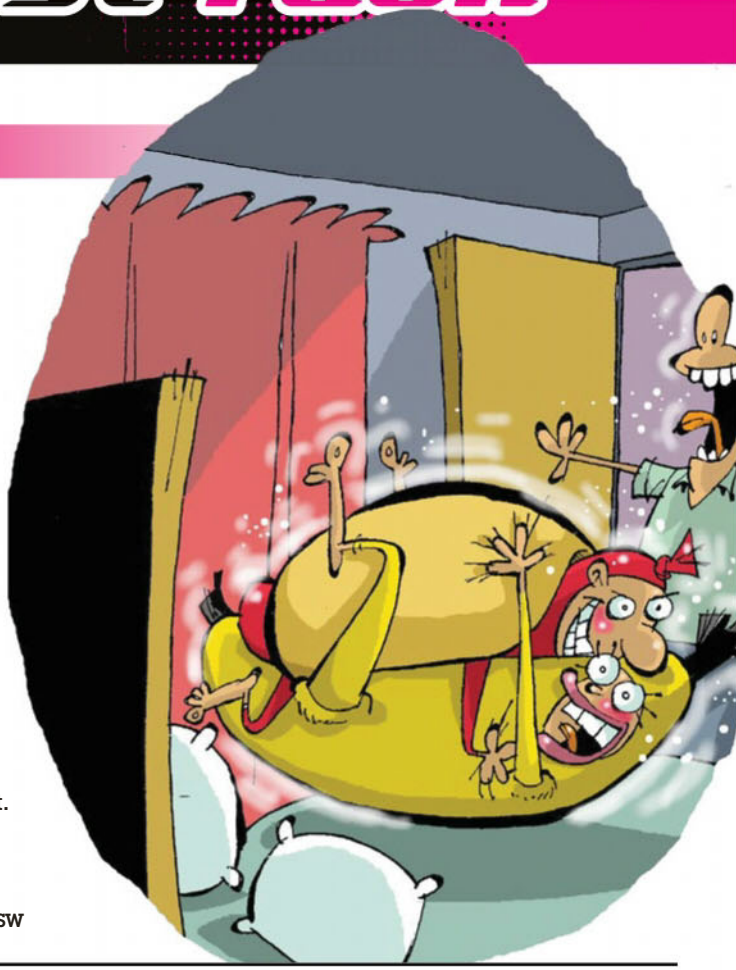
My Funniest Fuck

FUCK OR TREAT



I RECKON Halloween is fucken stupid, but when you're a single bloke and someone invites you to a Halloween party, you don't argue. It was costume, so I thought I'd go all out. I went to a costume place and the best thing I saw was this giant hotdog outfit. I figured everyone else'd be dressed up at ghosts and that, so at least I'd stand out. I sure fucken did. I got there early and as everyone arrived, I realised I'd got it wrong. The chicks might've bunged some spooky black eye makeup, and some of them wore a sexy witch's hat or a veil, and some of the other blokes had on a Zorro mask or something, but that was about it. It was pretty fucked standing there dressed as a giant hotdog, so I just hit the piss. Then things brightened up when this tall sheila came through the door dressed as a giant banana. She was in the same boat as me – didn't really know anybody, felt like a goose, and was keen for a drink. So we got on it together, and soon I realised she was the sexiest banana I'd ever seen. Turned out she felt the same about me, except as a hotdog, and we started looking for somewhere to consummate our foodie lust. We found the bedroom where everyone had bunged their coats, and jumped each other's bones. It's pretty hard for a giant hotdog and a giant banana to fuck, but by lying on our sides and undoing some zips in our costumes, I managed to get my cock into her and we got a good rhythm going. Then someone came in and just cacked themselves. I reckon we must've looked pretty funny at that. Anyway, she was the best chick I ever met and we're still together, so it all worked out.

UNLIMITED FREE RIDES

THE funniest fuck I ever had was in my boyfriend's sister's backyard after one of his little nephews had had his birthday party. They had got a bunch of kid's stuff in for the party a bouncy castle, a slip-and-slide and one of those pits filled with rubber balls – and it was all still there set up, waiting to be picked up the next day. We'd had to keep our hands off each other all day 'cos we were helping to supervise the kids, but when it was night, and we'd had a couple of wines we were looking for somewhere to have a root. Then we thought we have a go on some of this great kiddie gear. We tried the bouncy castle first, with me on my back and Keith on top of in the good ol' missionary possie, but the once it started bouncing, it was hard to keep any real rhythm going and he kept bouncing off me. So we went for the slip 'n' slide next, thinking I could sort of ride him down it like he was a mat on a waterslide. We turned the water on and had a go, but we hadn't counted on our combined weight and we only made it a couple of metres before we got stuck and didn't go any further. Still, we were having heaps of fun, so we jumped into the ball pit and managed to get into it with him sitting on the bottom and me sitting in his lap with my legs wrapped around him, with our head poking out at the top. It was quite bizarre with all these multi-coloured ball sliding around us with every move we made, and after he spoofed inside me, we just sort sank down into them. I just hope they washed all the balls before they rented it out again.

I WAS at this party and going for this one hot chick who was dressed in a mini-skirt, with her big tits hanging out of her crop top. I remembered those bits in women's mags where the chicks say the best way to get them into the sack was to make them laugh, so I went all out, telling her every joke I knew and trying to be funny as fuck.

And fuck me if it didn't work! She was laughing so hard she was spitting up her wine. So far so good, I thought, but I didn't know if I had enough material to last all night. Anyway, I suggested we head to my place and she was up for it, and she laughed her head off in the cab all the way there. Every time I told the driver to turn left, or head up that street, she went off again, and when I asked if he had change for a fifty, she practically pissed herself. Finally we got inside my flat, and funny thing was, I started to catch it, too. As I was pulling her T-shirt off I was laughing so hard, I could barely suck on her big, hard nips. Then when I pulled off her G-banger and went to lick her sweet, juicy moot I was losing it so much I was blowing snot bubbles out of my nose. She had trouble giving me head because she was trying to laugh and suck at the same time, so I manoeuvred her around to do her doggy, 'cos I figured if we weren't looking at each other we might get control. Nuh – as soon as I plunged my cock into her, she went off again. And so did I. It was all I could do to keep going with tears rolling down my cheeks. When I pulled out and spoofed on her arse, she practically had hysterics. Fuck, women are weird.

This week...
BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

CASSIA
PENRITH, NSW

Cassia, 28, isn't the selfish type, and you can bet her hubby's pretty bloody happy about that: "I'm pushing sexual taboo boundaries, especially when it comes to my relationship with my husband, who loves sharing my bedroom talents and sexual fantasies for a variety of lucky, unsuspecting guys out there."

Who gets to share you with your bloke? "It's actually a game we play. Any guy may have the potential to have a piece of me; it's just a matter of right time, right place to play. We post online for a random back-seat-of-the-car meet-up, or invite someone who catches my eye at the pub back to ours to play."

EVER HAD SEX IN PUBLIC?

"Nothing is hotter then teasing my husband and his co-workers. On business trips we stay in a Brisbane CBD hotel which has a level-five outdoor spa and pool. With such an audience every trip, I become so hot and horny putting on a show for those who dare to peek out their window and stare."

$200 BEAUT BUM

GEISHA
CURLWAA, NSW

A steady supply of naked backpackers over the last 20 years is slowly but surely doing wonders for Australo-Frog relations. Despite her Jap name, Geisha is ACKSHERLY a 28-year-old French traveller, here to do her bit for international friendship. "I am here after travelling through Asia." ***We're sure they already miss you and your pert arse. What did you like about our northern neighbours?*** "I liked Laos. It is a very beautiful place. Now I am in Australia, I enjoy the beaches and the partying."

Missing much about back home? "I miss the French food." ***Are you posing nude for us 'cos you're ANONYMOUS on the other side of the world and your olds will never find out and cut you out of their will?*** "I am trying to discover new things. I didn't think about doing something like this when I was back in France." ***Their loss is clearly our mutton daggers' GAIN.***

EVER HAD SEX IN PUBLIC? "Yes, I have done it on the beach and in a public park."

"The taxi driver didn't suspect a thing"

TIGERLILLY
STAFFORD, QLD

Twenty-year-old Tigerlilly knows how to make a long journey more SCRUMPABLE. "I had sex in the back of a taxi a couple of weeks ago. It was so hot. I just hooked up with this guy at the club and we decided to head back to his place, so we got into a taxi and minutes later I was on top of him, kissing and grinding, bouncing around. The taxi driver didn't suspect a thing." ***Or he was saving up the memories for his ALONE TIME after his shift. Did the seats get wet and sticky?*** "Very much so. When we got out, the guy I was with took off his jacket to wipe it all up." ***And they say romance is dead.***

EVER HAD SEX IN PUBLIC?

"I've had sex in the back of a car a few times before. I went out clubbing last weekend and I had sex on the dance floor and in the bathroom. It was pretty sexy. We had people looking at us but we didn't care."

KRISTY
GOLD COAST, QLD

Swimming costumes; in a fair and just society, they'd be banned and looked back on as a horrible mistake, like slavery, racism and the entire series of *Sons and Daughters*. Home renovator Kristy, 34, is giving us a preview of what life will be like when the last cossie is thrown on the fashion tip. And from the looks of this pic, every trip to the beach will give you a stiffy that'd break up a dogfight under a car. ***So what do you like about swimming naked, exactly?*** "I get an all-over tan." ***That must go down well with other beach-goers.*** "Well, I do get more attention than the sea." ***You obviously enjoy it as much as we enjoy beer.*** "I love the feeling of the sun on my boobalones and I love having the sand in between my bits. And I love having the salt licked off my body." ***You need any volunteers for that last one?***

EVER HAD SEX IN PUBLIC?

"Weddings, funerals, car washes, McDonald's drive-throughs, night football games…"

"I love having the sand between my bits"

MYLA
CANBERRA, ACT

"I am quite confident in my body," says 24-year-old Myla. "But my face is by far my favourite thing, particularly my eyes and smile." ***Your vertical grin is a FARKIN BEAUTY. Do you ever whip your undies off and give people a scrute?*** "Unfortunately, working five nights a week and still needing time for day-to-day activities and hobbies, I have very few opportunities to flash my bits away from work." ***What turns you on most in the bedroom?*** "Knowing how much being with me turns the other person on." ***What sort of person are you attracted to?*** "Someone loyal, hard-working, confident and fun." ***Is two out of four OK? Or one? What else keeps you busy?*** "I like pole-dancing, and I'd also like to start learning to do aerial hoop, sling, and burlesque as well." **EVER HAD SEX IN PUBLIC?** "I had sex in a booth at a bar once. The bar was halfway underground so we could see people's legs and feet as they walked past through the window."

After a big trip overseas, 43-year-old retail worker Viktoria and her firm chest bumps are back in town. And the country is all the better for it. ***Any rampant holiday sex adventures you can tell our beaut readers about?*** "Yes. I had a one-night stand while I was in Rome." ***As they say, when in Rome, root as the Romans do. Have you had many one-nighters?*** "Yes, a few. For this one I met a guy from South America while at a bar." ***What made him lucky enough to get selected by you?*** "His looks and his accent. I like Latin accents; they are more sexy." ***Are there any accents you'd rather not hear?*** "No." ***Do guys like your Filipina accent?*** "I guess guys like me more for my looks." ***With a pair of chesticles that awesome, there's a good chance they hardly even notice you're talking.***

"I got a few orgasms that night"

SARA
BRONTE, NSW

"My first group sex experience took place in Venice at a Madame O party," says 27-year-old Polish spunk Sara. ***That's got our tower of Pisa leaning HARD.*** "It was an amazing event organised in a fascinating location – a very old mansion with a few floors. To participate in this party, you had to follow a dress code in agreement with the atmosphere of the party." ***Was it worth dressing up?*** "You got to see people making love in every corner of each room dressed in a Casanova-era style." ***We'll take that as a yes.*** "It was quite an experience." ***Did you get into the mix or just watch?*** "That night I had sex with my partner and two other couples. At the beginning, I felt confused, worried and shy. When I relaxed, I started feeling differently. I got a few orgasms that night." ***You probably handed out a few, too.***

EVER HAD SEX IN PUBLIC? "Can you call a club a public place? Yes, I had sex at libertine parties. An audience can be a real turn-on."

"My ultimate fantasy is to be fucked in an alley"

LOLA
NOWRA, NSW

What sends 29-year-old Pomgolian gym aficionado Lola and her amazing norks wild in bed? "Oral." ***We'll keep that in mind. What made you want to pose for us while you're in Godzone?*** "I love being naked. I sunbathe topless or nude when I can. I love my boobs." ***You're not the only one. We hope you get that naked body out in public at more places than that. Think of it as some sort of ROOTY community service.*** "I also love sex outside. And my boyfriend and I once did it in a nightclub. My ultimate fantasy is to be fucked in an alley. Hopefully by a guy with brown hair and big muscles." ***Are you looking for one of those?*** "I'm attached." ***Tragic. Can anyone join in with you and your partner?*** "I've never had a threesome or group sex." ***Sounds like we've sorted you out for a New Year's resolution.***

"I just recently discovered anal"

QUEEN BEE
COOGEE, NSW

"Shameless, fearless bitch" Queen Bee is a 25-year-old Spaniard who likes to share. "I have had a few threesomes and orgies. The biggest orgy I have been in was seven people and me." ***We'd be FUCKED remembering everyone's name in that. What's your ROOTIEST fantasy?***
"I shouldn't really be telling you, but what the hell? My naughtiest fantasy is to be in one of those public disgraces you can see in porn. It makes me wet just to think about it. I just recently discovered anal. I love it, especially first thing in the morning. There is not a better way to start a day." ***We usually start the day pushing something* out *from there...***
EVER HAD SEX IN PUBLIC? "My favorite time was with one good friend of mine who lived far from me. We had been teasing and longing for each other for a while. Once we met, it didn't take us long to find an empty alley and we shagged on top of a car. It was amazing, although we weren't caught."

HOMIES FLASHBACK

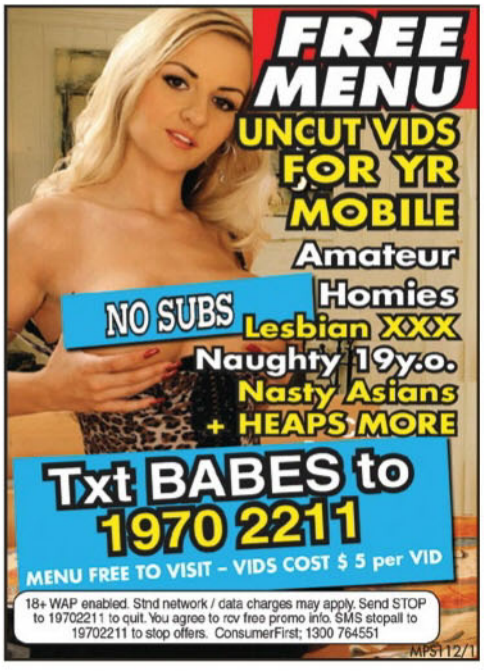
BABES FROM OUR "WONDER YEARS"

FLASHBACK TO APRIL 1998

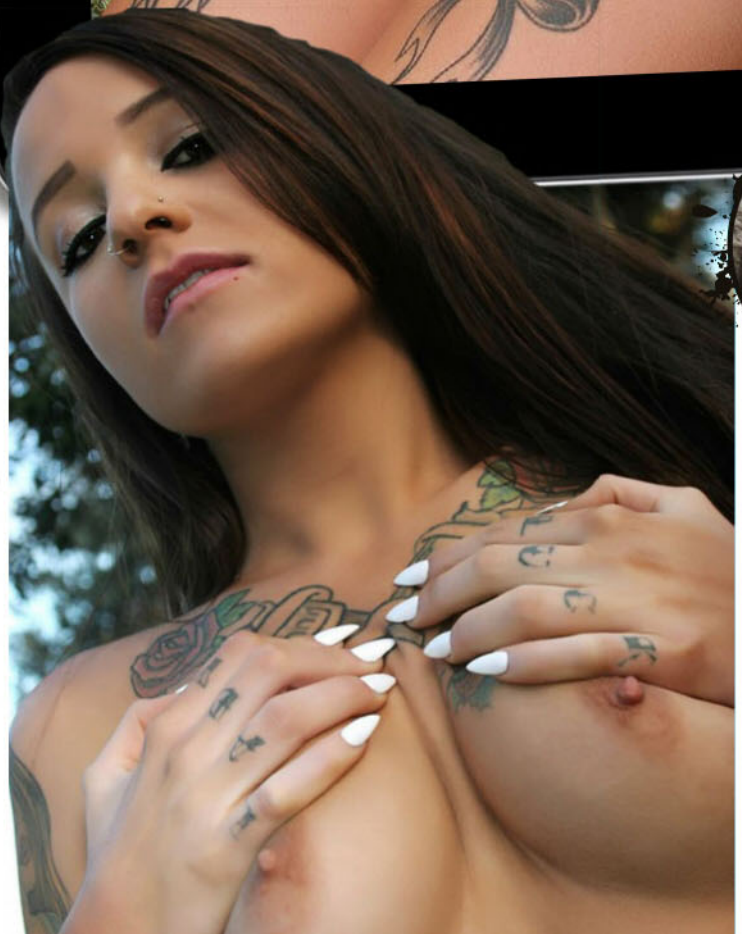
What can we tell youse about April ? It's a month in which RATHER A LOT of people LOST their virginity, especially in the year of our Lord 1998, when times were different. There was no 9/11, so the internet was still devoted entirely to cats and hardcore pornography, instead of ISIS and government surveillance. It was a magical time, readers.

JADE
BRISBANE, QLD

Childhood educator Jade, 19, likes to share. "I once had a threesome with my best friend and another guy. It was at a friend's party, so we were all drunk. It was all fun and games until the guy started paying more attention to me, which got a bit awkward for my friend, so the threesome ended pretty quick." ***Had you BUNTED your mate before then?*** "No, we hadn't had sex before then. But we've always been close. I have had one other threesome with a close friend of mine and a guy who we met from Sydney. It was a nightmare, though. I'm not really a fan of group orgies. I prefer one-on-one attention and making love." ***Third time lucky, maybe.*** **EVER HAD SEX IN PUBLIC?** "I had sex in a hospital bathroom the other day. I was visiting a good friend of mine and, yeah, I guess you can imagine the rest. He was injured at the time, but he still couldn't help himself. That would definitely have to be the most memorable sex encounter that I've had."



$400 TATTOO BABE



MAGGIE
SOUTH BRISBANE, QLD

Maggie, 21, got bitten by the tattoo bug at a young age. ***When did you first start liking the idea of getting some sweet ink?*** "I got my first tattoo when I was 15. My friend from school bought a gun on eBay, came over after school one day and tattooed 'Flash' on my hip." ***Sounds like a pretty outrageous way to spend your teens. Have you calmed down since?*** "Probably the most outrageous thing I've ever done would be the time I streaked through Byron Bay when I was at schoolies. Or maybe this one time, when I was in Melbourne, I drank too much champagne, then got up on top of the bar completely naked and started pouring champagne all over myself. The whole place went wild." ***A bit of teenage ink seems pretty bloody mild now!***

EVER HAD SEX IN PUBLIC?

"It wasn't really in public, per se. I was at a festival, and me and a boy started getting freaky in the tent. Everyone knew what we were up to; so then someone let the pegs down and collapsed the tent on us. It was pretty funny. I've had sex in the back of a car a few times before; that was fantastic."

Not happy: "The guns on my chest are very poorly done. They were done by an apprentice."

"I like it doggy style"

JENNA
FREMANTLE, WA

Jenna, 30, told us that she still has fond memories of her first threesome. ***How was that first time? A lot of people seem a little DISAPPOINTED with the experience.*** "A girlfriend and I were at one of her guy friends' houses. We had only had one drink and were talking about threesomes and he suggested we all try it in his massive shower. So we went up to the shower and got naked and wet. The guy joined us about five minutes later and watched us wash each other, and then he got in with us. She was up for anything." ***Sounds like you don't mind a bit of sexperimentation, either.*** "I've even masturbated in the back of a car." ***Onya. Next time you should try it while driving in peak-hour traffic.***

EVER HAD SEX IN PUBLIC?

"I once went to a nudist sauna. At first I didn't even want to be nude, but by the end of the evening my friend was fucking me by the pool in front of about 20 people. I was spit-roasted there, too. It is something I never imagined myself doing, but I loved it. I remember looking up and seeing another girl in the room and wondering why she wasn't joining in."

MINX
MELBOURNE, VIC

Minx, a 26-year-old chef, is showing off her beaut chest puppies on a balcony. ***Can we safely assume you like getting naked outside?*** "Yes, I do. It feels very natural. Besides the odd occasion when mosquitos have been present." ***How do you feel about sex in the outdoors?*** "It is a great idea in theory but fraught with complications: dirt and sand in places you don't want it, bugs, prickles, sunburn. But if the mood strikes, I wouldn't wait for a more comfortable spot." ***Have you ever been watched having sex?*** "Do pets count? Just kidding. Not to my knowledge." ***Do you want to put on a show one day?*** "I'm open to opportunities, but I'm not actively seeking to do so." **EVER HAD SEX IN PUBLIC?** "I recently got it on with my partner in a hotel spa that was overlooked by multiple residential high-rise buildings. We got rather lost in the moment but realising that potentially a couple of hundred people could have watched was a rush."

Coming from the home of country music, it's no surprise Delilah is excellent with her fingers, but it's not a guitar she's ace at STRUMMING. "I love to masturbate," she admits. ***How often do you FLICK THE BEAN?*** "A few times a week, at least. Probably more if I'm not having sex." ***Using just your fingers? Or do you have a few toys you bust out?*** "I have this little vibe I like to use, but it makes quite a loud buzzing noise, so if my housemates are home, I'll opt for my fingers." ***What a considerate young lady you are!*** "It just makes up for all the times I was really loud during sex!" ***Are you a SCREAMER?*** "I wouldn't say I'm a screamer, but I do moan pretty loud, especially when I'm having my pussy eaten." ***Nice. We love playing the pink harmonica. Do you prefer it when blokes or women go down on you?*** "I've never had a chick go down on me. I'm just a bit weirded out by all that lesbian stuff. GO FACT YOURSELF!

THIS ISSUE: AK-47

01. More than 250 million people are killed by Kalashnikov rifles every year.

02. The AK-47 first entered production in 1947, and has been in constant production by various factories around the world ever since.

03. In 2004, the price for a Kalashnikov was US$534. In African countries, it can be had for around $200. In some places, they can be bought for around $10.

04. During the Vietnam War, American soldiers were known to discard their M-16 carbines in favour of their dead enemies' AK-47s, and even today, Marines still carry AK magazines as spares.

05. When American troops invaded Saddam's palace, they found his personal gold-plated AK-47, which was supposedly presented to him by General Gaddafi of Libya. When he was captured, Saddam had two of the weapons with him.

06. A Missouri car dealership offered an AK with each new car sold. The gun available in America is only semi-automatic. All other automatic AK-47s are banned, unless purchased prior to 1986.

07. The AK has only 8 moving parts, making it near impossible to break. The entire firing mechanism is chromed, which makes cleaning the weapon only an occasional requirement. It can fire after being in water or mud. An American journalist found a frozen Russian soldier who had been dead for a year, clinging to his gun. It still fired.

08. The AK is one of the most commonly used weapons in school shootings and public shooting sprees.

09. The AK 47 is useless for long range fighting, as its sighting is faulty. It is mostly used for close-range fighting, for which it is perfectly lethal.
